Suggestions for
Mr. Grower.

THE BUYER AND SELLER AGREES THAT THE SELLER GIVES NO WARRANTY, EXPRESS OR IMPLIED, AS TO THE PRODUCTIVENESS OF THE STOCK HEREBY OFFERED, AND ITS RETENTION FOR TEN DAYS AFTER RECEIPT BY THE BUYER WITHOUT COMPLAINT IN WRITING, CONSTITUTES A DEFINITE ACCEPTANCE THEREOF BY THE BUYER. ALL GROWING STOCK IS OFFERED SUBJECT TO CROP.

Plant Yellow Callas for pot-plants for Easter or Mother's Day. If not sold out the blooms and plant in benches to bloom more.

Lilies to bloom May-June and early Summer. At present prices they should be profitable every month in the year - particularly Erabu, Gigs, and Magnificum. Having had a good rest they should now bloom easily and quickly.

Fancy Leaf Caladiums in pots for Easter or Mother's Day - they sell well as pot-plants and are invaluable for store decoration in Summer.

Valley Pips are very cheap now. Lilium Regale should be planted outside April-May for cut bloom. Same with Glads, though bloom should be useful and profitable if planted any time now in spaces inside.

Being offered same class of stock at lower prices need not prevent your buying from us - give us a chance to meet the prices.

There's lots of suggestions in enclosed offer. Look it over carefully, item by item, then tell us what your business requires.
